Commissions:

Commissions are based upon an evaluation of consigned item(s) to be sold or set at the standard sliding scale commission rate.

ON-LINE Bidding:

Items that are included in the on-line bidding platform must meet the criteria as set forth by the sale management team. Select Agriculture and Construction Equipment will be offered on-line via www.bidcaller.com, all on-line designated lots will be marketed through www.tractorhouse.com. Once an item is included in the on-line platform it can't be removed after March 5th 2019. All purchases made via the on-line platform will be subject to a 10% buyer's premium. No buyer's premium will be charged for on-site live auction purchases.

General Guidelines for Consignments:

- We will reject sub-standard consignments
- No junk or miss matched tires will be accepted
- Hand and Shop tools must be in working condition
- Due to USDA regulations no chemicals or fertilizers may be consigned

Things to Consider when Consigning Equipment:

- If it has a title, is it in your name
- Will the battery test "ok"
- Does it have at least a ½ tank of fuel
